NORRIS LAKE
TENNESSEE
It's a Tennessee Law Now
Wakeboarding and wakesurfing are not permitted in coves or any "portion of a body of water" with a width of less than 400 feet from shore to shore.
Wakeboarding and wakesurfing are not permitted within 200 feet of a "shoreline or a dock, pier, boathouse, marina or other structure".
Please respect the law and peoples property by only using your ballast, weights and/or surf gate in the areas recommended on this map for surfing and wakeboarding, marked in the light blue color.

How many marinas can you identify above?

I WOULD RATHER BE AT NORRIS LAKE

NORRIS LAKE TENNESSEE

The Norris Lake Marina Association (NLMA) is delighted to welcome you to the sparkling waters and scenic beauty of Norris Lake. Whether it's your first visit or you're returning for more, this destination is sure to capture your heart. With endless activities both on and off the water, Norris Lake is the perfect place for a vacation, weekend retreat, or even your forever home.

Norris Lake boasts 23 marinas, each offering a variety of services and amenities in a warm, family-friendly atmosphere. Lodging options include campgrounds, houseboats, floating cabins, condos, waterfront vacation homes, and lakeside motels. Treat yourself to on-the-water dining at one of the many marina restaurants and enjoy exciting entertainment like live music, trivia nights, karaoke, themed events and fireworks. Don't own a boat? No problem! Many marinas offer rentals, including pontoons, tritoons, double-decker pontoons with slides, runabouts, ski boats, personal watercrafts, paddleboards, kayaks, houseboats and more.

To ensure a safe and enjoyable experience, this guidebook includes important rules, regulations, and safety tips. Boating safety is essential, so keep in mind that the lake's average depth is 75 feet—so always wear a life jacket. Help us preserve Norris Lake's reputation as one of the cleanest lakes in the region by practicing good stewardship and protecting its natural beauty. Please leave nothing behind.

We also encourage you to support the local businesses and NLMA associate members featured and listed in the service directory in the back of this guidebook. From real estate agents and boat dealers to lenders, insurance providers, dock builders and lodging services, these businesses play a vital role in making your Norris Lake experience unforgettable and memorable.

We hope your visit to Norris Lake is filled with fun, relaxation, and cherished memories. Stay safe, enjoy the water, and make the most of your time here!

Happy Boating,

Travis Keller
President
Norris Lake Marina Association

Let's Go Boating on Norris Lake

Nestled in the foothills of the Cumberland Mountains, just 20 miles north of Knoxville, lies Norris Lake. Renowned for its deep, clean waters, the lake is fed by over 3,000 miles of fresh water from mountain creeks, streams, and rivers. Unlike other lakes, Norris Lake is not fed by a major dam, ensuring its water remains cleaner and clearer. As spring temperatures warm the lake, the water maintains a pleasant temperature until late fall.

Norris Lake is the most popular TVA tributary lake for recreation. At its normal summer pool of 1020 feet above sea level, the lake spans over 34,200 acres of surface water. The water level fluctuates 20-30 feet annually, with changes exceeding 45 feet during droughts or floods some years. Fresh water replenishes the lake every nine months, primarily from mountain rainfall.

Stretching 56 miles along the Powell River and 72 miles along the Clinch River, Norris Lake also features miles of multiple creeks. Its 809 miles of shoreline offer many activities like golfing, hiking, horseback riding, rock climbing, cliff jumping, caving, and camping. With over 50 more miles of island shoreline, visitors can enjoy many picnic areas, as well as caves, cliffs and beaches.

Norris Lake boasts secluded coves, three state parks, county parks, two wildlife management areas, and 59 public access sites. Located in Anderson, Campbell, Claiborne, Grainger, and Union counties in Tennessee, the lake is a hot spot for fishing tournaments year-round. With over 56 fish species, including striper, walleye, and crappie, anglers can fish from shore, they can bring their own boat, rent one, or hire a guide service to take them out.

Marinas around Norris Lake offer a variety of great accommodations, including lakefront and lakeview houses, condos, hotels, houseboats, and floating cabins for rent or purchase. Additional amenities include boat and slip rentals, waterfront restaurants, campgrounds, lake maps, groceries, snacks, apparel, and boating supplies. Many marinas host events like karaoke, live bands, kids' activities, and themed parties, as well as party rooms for reunions, weddings and business functions.

Don't miss exciting events like the Crownline and Mastercraft boat gatherings, the Norris Lake Beach Party, the Rocky Top Power Run, weekend boat tie-ups, holiday parties, and fireworks displays at Cedar Grove, Deerfield Resort, Flat Hollow, Indian River, Sequoyah, Shanghai, Sugar Hollow, Lone Mountain and Whitman Hollow.

Norris Lake Dam

Norris Dam was built to promote economic development and control flooding in the Tennessee Valley.

As the first project of the Tennessee Valley Authority (TVA), construction began on October 1, 1933, and was completed in March 1936, with the reservoir filled by 1937. Over 2,750 workers poured more than one million square yards of concrete, and the project cost $36 million, including land acquisition (that's $850 million in todays dollars). The dam's construction displaced nearly 2,900 families and relocated over 5,000 grave sites.

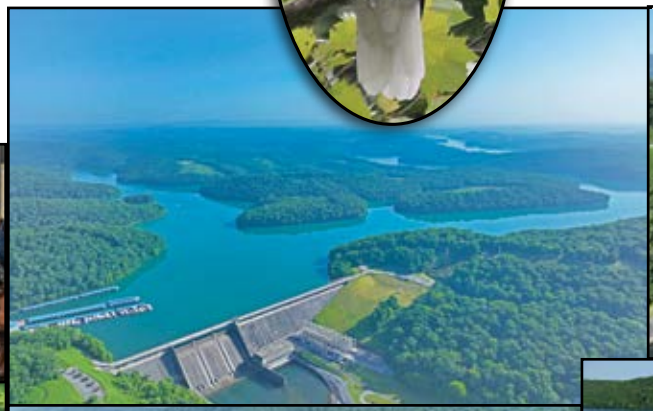

Named after U.S. Senator George W. Norris, who authored the legislation creating the TVA, the dam is a straight concrete gravity-type structure measuring 1,860 feet long, 265 feet high, and 208 feet thick at the base. At summer pool, it holds back over 830 billion gallons of water. Equipped with two 50,000-kilowatt hydroelectric turbines, the dam generates an average daily capacity of 126 megawatts in summer. Its spill waters flow through nine dams along the Tennessee River, eventually reaching Kentucky Lake and the Ohio River.

Surrounding Norris Dam is Norris Dam State Park, offering two campgrounds, cabin rentals, rent-able indoor and outdoor facilities, hiking and biking trails, horseback riding trails, a museum, playgrounds, picnic areas, gift shops, and seasonal recreational programs. Visit TNstateparks.com for more information on programs and activities.

The TVA, a federally-owned corporation established in 1933, provides navigation, flood control, electricity generation, fertilizer manufacturing, and economic development across Tennessee, Kentucky, Alabama, Mississippi, Georgia, North Carolina, and Virginia.

Norris Dam Area

Clinch River West, Big Creek and Cove Creek

The Norris Dam Area includes the Clinch River from Norris Lake Dam to day marker 19 at Loyston Point, as well as Cove Creek and Big Creek. **Norris Dam Marina** is located where the Clinch River and Cove Creek meet at the dam (day marker 1). Day markers on Norris Lake help identify points, areas, and assist with navigation. These markers, numbered 1 to 33, are placed 1-5 miles apart on day boards located at points, islands, marinas, and shores. Most Norris Lake maps feature these markers to help navigation and to locate creeks, points, and marinas.

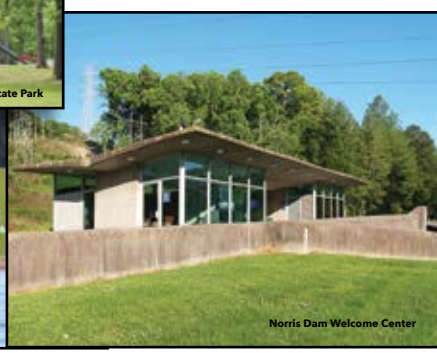

Cove Creek begins at Cove Lake State Park in Caryville where Cove Lake flows into Norris Lake. Along Cove Creek, you'll find **Twin Cove Resort and Marina** at day marker 4 and **Mountain Lake Marina and Campground** at day marker 3. Both Marinas offer restaurants and live entertainment. The Norris Dam State Park, Anderson County Park (campground, boat ramp, and beach), Lonas Young Memorial Park (campground, boat ramp, beach, and sports fields), and Cove Creek Wildlife Area are located in the Norris Dam Area. Big Creek flows from downtown LaFollette, past Lonas Young Memorial Park under Demory Road, and into the Clinch River close to **Sequoyah Marina,** known for their Friday night wings special. **Bo's Indian River Marina** (day marker 8) and **Whitman Hollow Marina** (near day marker 7) are located along Big Creek, both offering dining, snacks, drinks, and live entertainment.

Farther up the Clinch River, Anderson County Park and **Clear Cove Marina** are near the merging point of the Clinch and Powell Rivers at day marker 9. **Stardust Marina**, known for its Friday Night Seafood Boil and delicious cheeseburgers, is located just beyond day marker 9.

The Clinch River winds past Loyston Point at day marker 19, where the lake opens to its widest section, marking the beginning of Clinch River East.

Norris Dam Marina

Norris Dam Marina on Norris Lake in East Tennessee is a newly renovated, full-service marina with everything you need to enjoy your time on the water. If you're looking to have a great time fishing, skiing, or just relaxing, you've come to the right place! You don't have to worry about long, winding roads to get here, we are just a beautiful, scenic drive through Norris Freeway conveniently located only 4.1 miles from Interstate I-75.

If you are interested in lakefront lodging, be sure to check out Twin Cove Resort, Mountain Lake Marina and Powell Valley Resort, our sister marinas on Norris Lake! They offer a selection of cabins, condos, camping and hotel rooms. Norris Dam Marina has everything you need to make your visit to Norris Lake enjoyable:

- *Tritoon Boat Rentals*
- *Double-Decker Party Pontoon with Slides Rentals*
- *Bait and Tackle*
- *Casual Dining w/Ice Cream Bar*
- *Lake Merchandise and Store*

Reserve your Boat Rentals on-line at NorrisDamMarina.com

Owner-Operarted

At Norris Dam Marina we want to make sure your experience is one to remember! Guests at our marina always enjoy clean, scenic and secure facilities. Our staff is here to ensure the highest level of servvice and a great, friendly and fun atmosphere for your stay at Norris Lake!

NORRISDAM MARINA

Floating Cabins on Norris Lake

Experience the unique charm of floating cabins on Norris Lake, homes that literally float on the water! Built on a sturdy floating foundation, these cabins offer all the comforts of a traditional home, with some featuring luxurious amenities like central heating and air conditioning, spacious layouts some with thousands of square feet, multi-story designs, private boat slips, docks, hot tubs, water slides, and more. Whether you're looking to rent or buy, these floating cabins provide an unforgettable way to enjoy life on the lake just one step from your boat.

Most floating cabins are anchored in the marina's no-wake zone or tied to buoy lines, surrounded by water on all sides. Accessible only by boat, they offer stunning 360-degree waterfront views and the convenience of stepping directly from your cabin onto the lake or your boat. Some cabins are moored along the marina's catwalk, allowing you to walk or even drive a golf cart right to your front door. Imagine living on the lake 24/7, where you can fish, swim, or relax just steps from your door.

Inside, these cabins feel just like home, with high-end finishes such as tile and hardwood floors, wall-to-wall carpeting, marble counter tops, ice makers, washer/dryers, cable TV, Internet, utility rooms, walk-in closets, and full-size jacuzzi tubs. With layouts ranging from cozy one-bedroom cabins to up to spacious five-bedroom homes with lofts and three baths, some can accommodate up to 16 guests or more. The interiors are so stable and comfortable that you'll forget you're floating—until you step outside to take in the breathtaking views.

Discover the perfect blend of comfort, luxury, and adventure with a floating cabin on Norris Lake!

Beyond the Water: Adventure Trails + Lake Life at Norris Lake

Bike, hike, and explore the trail-network around Norris Lake! With hundreds of miles of routes spanning gentle hikes, challenging mountain-bike terrain, and off-road adventures, there's plenty of fun beyond the water. Bring your bike or OHV – or just lace up your hiking boots – and head into the forests and ridges of our city, county, state and national lands.

Hike to the cascading Little Egypt Waterfalls or reach the stunning tri-state vista above Cumberland Gap National Historical Park. For off-road excitement, ride the dramatic terrain at Royal Blue Wildlife Management Area or Windrock Park in the Cumberland Mountains – and don't miss the rugged off-road routes in Sundquist Wildlife Management Area. You can rent a 4-wheeler and pick up a map with directions and rules. Events and group rides happen throughout the year.

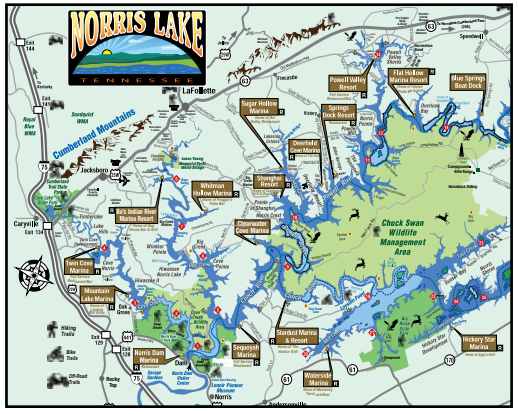

For cyclists, the Norris Area Mountain Bike Trails offer thrilling rides and dramatic views of the lake. Kick your lake-season off early by joining the annual Poker Run in April – proceeds go toward trail improvements.

See the trail map below to find your trailhead and get started!

Experience Houseboating on Norris Lake

Imagine yourself aboard a luxurious houseboat, equipped with all the comforts of home, just steps away from the sparkling waters of Norris Lake. Spend your days cruising the lake, swimming, or soaking up the sun in a private cove. As evening falls, unwind in your hot tub while watching a breathtaking sunset. After dark, enjoy fishing, night swimming, or stargazing under the clear skies. Houseboat vacations are loved by everyone!

Norris Lake offers houseboats in every size imaginable, ranging from one-bedroom to seven-bedroom options. Some include bedroom featuring queen-size beds and sinks, complemented by two full bathrooms. Houseboats come with a variety of amenities, including central heating and air conditioning, fully equipped kitchens, washers and dryers, dishwashers, trash compactors, ice makers, slides, hot tubs, satellite radio, large-screen TVs with DVD players, and wet bars on the top deck.

Houseboating is the perfect way to create lasting memories with family and friends, whether for a few days or a couple of weeks. Anchored in a cove with water depths of 40 to 150 feet, houseboats serve as an idea home base for swimming, fishing, sunbathing, or hosting gatherings. Many weddings, bachelor parties, and even church services have been celebrated on houseboats in secluded coves.

For a change of scenery, tie up to the shore for a picnic and explore the Chuck Swan Wildlife Area or nearby state and county parks. Cruising on a houseboat is an exhilarating experience, with speeds of 7-10 mph making them easy to navigate. Marina owners provide guidance to ensure you're comfortable driving one. With everything you need on-board, you can enjoy the lake wherever you go. Don't miss the excitement of watching fireworks from your houseboat at one of the marinas!

Rental houseboats, accommodating up to seven bedrooms and two full baths, are available for your next adventure. Bring your family and friends for an unforgettable vacation. With fewer than ten rental houseboats on the entire lake, finding a serene cove is simple. When the total cost is shared among your group, the per-person expense becomes surprisingly affordable.

Powell River Area

Powell River, Cedar Creek & Davis Creek

The Powell River, one of the two rivers that form Norris Lake, flows into the Clinch River about 10 miles northeast of Norris Dam, near Anderson County Park at day marker 9. The river stretches 56 miles northeast, passing day marker 18 and winding under Highway 25E between Harrogate, TN, and Tazewell, TN. Along its path, the Powell River offers breathtaking views of the Cumberland Mountains to the northwest and the Chuck Swan Wildlife Management Area to the south and east. Resorts and Marinas along the Powell River Include:

- **Shanghai Resort:** Located across the lake from day marker 10, Enjoy some great food and drinks at the restaurant and let the kids enjoy the splash pad.
- **Deerfield Resort:** Nestled along the shores of Cedar Creek and the Powell River, just past day marker 10, is one of the largest lakeside communities.
- **Deerfield Cove Marina**, **Tiki Hut**, and **Springs Dock Resort** are all found between day markers 10 & 11. These lively destinations are ideal for dining.
- **Flat Hollow Marina Resort:** Situated just around the corner from day marker 14, offers a retreat for visitors with the Twisted Pickle Restaurant and Bar.
- **Blue Springs Dock:** Located further down the Powell River, past day marker 14, this dock is a great stop for gas, supplies and snacks.
- **Union County Dock:** Close to Day Marker 15 is the last dock on the Powell River, but there is much more scenic lake to go where the lake's mostly undeveloped.

Cedar Creek, just past day marker 10, is home to **Sugar Hollow Marina**, complete with inflatable water park, and a pirate themed restaurant. Nearby, the popular Cedar Creek Bridge—known as "Party Cove"—is a lively spot for boat tie-ups, parties and meet-ups.

Davis Creek enters the Powell River behind the island with day marker 12, which makes it easy to miss. At day marker 13, where Davis Creek meets Doakes Creek, known for its stunning views of the Cumberland Mountains you'll find **Powell Valley Resort**, with restaurant and more.

The Chuck Swan Wildlife Management Area, which borders much of the Powell River, is a haven for outdoor exploration. Discover secluded coves, hike to the lookout tower, or venture to find Panther Cave for an unforgettable adventure. Keep an eye out for eagles, which are frequently spotted in the area. Whether you're looking for peaceful waters, scenic landscapes, or exciting outdoor activities, the Powell River area is a destination that offers something for everyone including beautiful homes.

Accommodations

Lake Front and Lake View Homes, Hotels, Condos, Houseboats, Motels, Campgrounds & Floating Cabins

Norris Lake offers a wide range of accommodations to suit every preference. Choose from lakefront and lake-view homes, hotels, condos, houseboats, motels, campgrounds, and even floating cabins. Whether you're looking for a relaxing getaway or an adventure-filled stay, there's something for everyone.

Many accommodations are located in marinas or gated resort communities, featuring amenities such as pools, clubhouses, playgrounds, private airports, tennis and volleyball courts, covered boat slips, and even golf courses right by the water. For a more private experience, you can rent or purchase lakefront homes or floating cabins. Campgrounds are also available throughout the area, including options at marinas, state parks, county parks, and private campgrounds.

For those seeking luxury, lakefront and lake-view homes and condos are available for rent and sale, some with up to 10 bedrooms, 12 bathrooms, and covered boat docks. If you prefer to stay directly on the water, houseboats and floating cabins are excellent choices. These accommodations come with modern amenities and can host up to 16 or more guests. Floating cabins often include flush toilets, multiple bathrooms, private covered boat slips, jet ski docks, hot tubs, and even water slides. With a houseboat, you can anchor in your own private cove for a truly unique experience one step from the water.

Planning a special event? Some marinas can host up to 350 guests, making them ideal for weddings, reunions, parties, or corporate events. Spacious banquet facilities and catering services are available at select marinas to ensure your celebration is a success.

Conveniently located about an hour from Knoxville Airport, Norris Lake is easily accessible for travelers. With so many options, you're sure to find the perfect accommodation for your next visit.

Watersports on Norris Lake

Norris Lake is a paradise for watersports enthusiasts, offering the perfect setting for wakeboarding, kneeboarding, wakesurfing, waterskiing, and jet skiing. With its abundance of sheltered coves and calm coves, the lake boasts miles of smooth, glass-like water ideal for skiing and boarding. Many areas of the lake are over 400 feet wide and free from docks or houses, providing the ultimate space for wakeboarding and wakesurfing.

If tubing or riding inflatables is your thing, Norris Lake has plenty of open water for endless fun. Marinas around the lake offer rentals for ski boats, pontoon boats, personal watercraft, skis, wakeboards, stand-up paddleboards (SUPs), and towable tubes, ensuring you have everything you need for an unforgettable day on the water. Remember to always be mindful of your wake and considerate of others.

Stand-up paddleboarding (SUP) is another fantastic way to enjoy the lake. It's easier than you might think and offers a great workout for your core. Fun for all ages, SUPs are available for rent at some marinas—perfect for trying out this exciting activity if you haven't already.

For those looking to explore the lake at high speed, personal watercraft (PWCs)—commonly known as Jet Skis, Waverunners, or SeaDoos—are a thrilling option. Many marinas rent PWCs by the hour, half-day, or full-day. If you're new to riding, be sure to get proper driving and safety instructions before heading out. PWCs are a blast, but it's important to know the laws and operate them safely.

Fishing on Norris Lake

Known for Stripers, Rockfish, Walleye, Catfish, Largemouth, Smallmouth, Bluegill, Crappie and Black Crappie

Norris Lake, with its deep, crystal-clear waters, offers the ideal habitat for a variety of fish species, making it a top destination for anglers nationwide. Whether you're a seasoned tournament competitor or a family looking for a fun day on the water, Norris Lake is the perfect spot to cast your line and reel in a great catch.

Fishing License Information

To fish or assist someone in fishing at Norris Lake, a Tennessee fishing license is required. This includes catching fish or crayfish by any method. Non-residents can choose from annual, 10-day, or 3-day licenses, with options for all fish or no trout. Children under 13 are exempt from needing a license.

Annual fishing licenses go on sale starting February 18, just in time for prime fishing season, and remain valid until the last day of February the following year. Licenses can be purchased online, by mail, or at various locations such as county court clerks' offices, sporting goods stores, hardware stores, and marinas. For more details or to purchase a license, visit gooutdoorstennessee.com.

Stay informed about local fishing tournaments, area guides, and helpful tips by checking with marinas, browsing websites, or keeping an eye on local newspapers.

WHAT MAKES MAYNARDVILLE &
NORRIS LAKE A SPECIAL PLACE?

It must be something in the water.

Maynardville
AND
Norris Lake Region
TENNESSEE

MaynardvilleNorrisLake.com

Clinch River East Area

Clinch River from Loyston Point to Rt 25E, Mill Creek, Lost Creek, Poor Land Creek and Big Sycamore Creek

The Clinch River East Area spans from Loyston Point to Route 25E, including Mill Creek, Lost Creek, Poor Land Creek, and Big Sycamore Creek. Starting just past Loyston Point at day marker 19, the lake opens up to its widest section.

On the expansive lake near Mill Creek, you'll find **Waterside Marina** to the southwest around day marker 20. Stop by on the weekend to enjoy delicious Mexican food.

Big Ridge State Park is nestled between day markers 21 and 22, surrounded by Norris Lake and featuring many secluded coves. Across from day marker 24, on the southern shore of the Clinch River, sits **Hickory Star Marina**, located just past the open lake and near several islands. Further along, near day marker 27 and the new 33 bridge, you'll find **Lakeview Marina and Beach Island Marina and the Boat House Restaurant and Bar**. Stop by either restaurant for some great food.

Beyond the 33 bridge, **Cedar Grove Marina** is located at day marker 28. Around the corner, you'll come across **Straight Creek Marina**, just before reaching the Lone Mountain Shores development. At day marker 30, **Norris Landing Marina** and Jimmy's Place Restaurant offer a great spot to relax and eat. A little further along, past Big Sycamore Creek and under the railroad bridge, you'll find **Lone Mountain Marina** and Campground with plenty of activities and theme nights.

Norris Lake continues to wind through scenic hills for over 15 miles, passing under a railroad bridge and offering undisturbed views. The Clinch River eventually flows under Route 25E, where the water becomes too shallow for navigation.

Boater's Etiquette on Norris Lake

Norris Lake offers 34,000 acres of water for everyone to enjoy, so let's all be respectful of others as they partake in their favorite activities. Whether you're fishing, wakeboarding, surfing, skiing, tubing, cruising, swimmings or jet skiing, we can all share this beautiful lake by being considerate. Here are some common-sense guidelines to ensure everyone has a great time:

Main Channel Activities

Wake Surfing & Tubing: Follow the law—no surfing in front of docks or marinas, within 200 feet of the shoreline, or in areas less than 400 feet wide. Refer to state laws on Page 64 for more details. Notice the lake map has preferred areas for wakesurfing and wakeboarding.

Cove Activities

Smooth Water Activities: Activities like slalom skiing, trick skiing, bare footing, floating, swimming, fishing, kayaking, paddle boarding, and snorkeling are best suited for calm coves. Avoid creating unnecessary wakes in these areas to protect people and property. Please be considerate of no wake zones.

Anchoring in Coves: If someone is skiing in a cove, avoid anchoring in the middle. Instead, anchor at the front or back of the cove. If skiing bothers you, consider choosing another cove.

Ski Courses: Never tie to or anchor near a ski course.

Personal Watercraft (PWC) Guidelines

PWCs should never follow or jump waves behind boats towing tubers, skiers, wakeboarders, or surfers. Maintain at least 300 feet (the length of a football field) from anyone being towed.

Safety Tips

Never sit on the bow or stern of a moving boat or pontoon. This is dangerous and illegal but could also result in injury or a ticket. Captains are responsible for the safety and actions of their passengers.

Music and Noise

Keep music at a reasonable volume when sharing a cove with others. Loud music may not be appreciated, especially by families with children. Please be respectable and do not play any music with vulgar language around areas children may be.

When entering or leaving a marina, maintain low music volume and adhere to no-wake zones.

Cove Courtesy

If you see boats tied up side by side in a cove, treat it as a no-wake zone to prevent their boats from banging together. Slow down before entering and when leaving.

If staying overnight in a cove, leave your anchor light (white lights) on and clearly mark any ropes in the water.

If a cruiser or houseboat is already anchored overnight, cons der choosing another unoccupied cove.

By following these guidelines, we can all enjoy Norris Lake safely and respectfully. Thank you for your cooperation!

Boating Safety, Laws and Tips

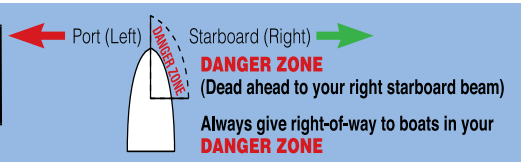

As a boat owner and/or operator YOU ARE RESPONSIBLE for your safety, the safety of all your passengers and the safety of other boaters as well. Always be aware and alert of everything around you when driving a boat.

- TWRA (Tennessee Wildlife Resource Agency) and the US Coast Guard patrol and enforce boating laws on Norris Lake. Know and obey the laws of the state and the rules of the lake. For a complete handbook of Tennessee boating laws visit: https://www.tn.gov/content/dam/tn/twra/documents/boating/TN-Boating-Handbook.pdf
- For safety and to prevent collisions, every operator should follow the three basic rules of navigation.
  1. Practice good seamanship. 2. Keep a sharp lookout. 3. Maintain a safe speed and distance.
- **ALWAYS** provide everyone with an appropriate size PFD before leaving the dock and have them readily available.
- Children 12 and under must wear a Personal Flotation Device (PFD) while underway. (State Law) **Be sure all PFDs fit properly.**
- **ALWAYS** maintain a safe speed depending on your surroundings. When in doubt, SLOW DOWN OR STOP.
- Be aware of other boats and swimmers around you. Swimmers are hard to see so always look out for them.
- **ALWAYS** look in all directions before starting out, turning or changing course. Then look again.
- When approaching a boat, the boat dead ahead and on your right has the right away. Slow down and allow plenty of room OR change course and go behind the other boat (always a better option).
- Slow down before approaching docks, boats, swimmers, shore, bridges, busy areas or any object.
- **SLOW DOWN** close to marinas. **No Wake means Idle Speed, which is the SLOWEST you can go while maintaining control.** You are alway responsible for damages from your wake. Please always be courteous to others in the marinas and other boats anchored or fishing where ever they are. Turn your music down when entering or leaving a marina. Your loud music may not be appreciated or appropriate.
- Distribute your load evenly and never overload your boat.
- **NEVER** follow directly behind other boats or PWCs. (Boats do not have brake lights.)
- PWCs cannot be operated between sunset and sunrise.
- As a boat driver, you are responsible for any passenger in your boat and can be fined for their actions, including those drinking. Tell your passengers not to move around the boat once the boat is moving above idle speed.
- **NEVER** allow your boat or PWC to be driven by an inexperienced operator without proper instructions.
- Anyone born after 1-1-89 who operates a boat or PWC without an adult aboard that was born on or before 1-1-89 must have taken and passed a Coast Guard approved boating education course (TWRA or NASBLA - National Association of State Boating Law Administrators) and have their certificate with them. Those less than 12 years old must have a supervisor on board who is at least 18 years old and able to take immediate control of the vessel. The supervisor, if born after 1-1-89, also must have a Boating Safety Education Certificate issued by TWRA or NASBLA. Children 12 years old or older operating alone must have a Boating Safety Education Certificate issued by TWRA or NASBLA with them.
- As a boat owner and driver you are responsible by law to make sure your lights on your boat are working properly and are on 1/2 hour before sunset until 1/2 hour after sunrise. Even if you don't expect to be out at night things happen so be prepared. Boating lights are for other boaters to see you. If your boat lights do not work, people may not see you. Don't put you and other passengers in your boat as well as other boaters at risk. According to the law docking lights should only be used within 50' of a dock.
- **DO NOT** drink alcohol and drive a boat at any time. Alcohol is a major contributor to boating accidents and fatalities. If your trip includes any drinking use a designated non-drinking driver. Be Safe! Be Smart! Have Fun!

BE A BETTER BOATER

The U. S. Coast Guard asks all boat owners and operators to help reduce fatalities, injuries, property damage and associated healthcare costs related to recreational boating accidents by taking personal responsibility for their own safety and the safety of their passengers. Essential steps include always wearing a life jacket; never boat under the influence; successfully complete a boating safety course; and get a vessel safety check annually from your local U.S. Coast Guard Auxiliary or United States Power Squadrons.

OVERTAKING AND PASSING:	MEETING BOATS HEAD-ON:	CROSSING:
A boat being passed has the right-of-way. Keep clear.	Keep to the right.	The boat on the right has the right-of-way. Slow down and permit to pass.

DANGER ZONE
(Dead ahead to your right starboard beam)

Always give right-of-way to boats in your DANGER ZONE

Keeping Norris Lake Clean

Be a steward of Norris Lake—practice Leave No Trace each time you stay and play on the water. Join a cleanup event or support the volunteer groups working hard to keep the coves and shorelines free of litter. Many individuals and multiple organizations already go above and beyond to protect this incredible resource

Stewardship also happens in simple, everyday moments. Each time you pick up a stray piece of trash, a drifting bottle, or any floating debris that doesn't belong in the water, you're making a difference.

Litter isn't just unsightly—it's dangerous. Be sure to secure items on your boat and docks so they don't blow or wash into the lake.

Let's each do our part to **help keep Norris Lake one of the cleanest lakes in America.** Visit their websites or Facebook pages below to learn more and get involved.

Contact, Donate and Volunteer today.

P.O. Box 716 • New Tazewell, TN 37824

Tennessee New Surf/Wake Laws

A new Tennessee law concerning Wake Boats and Surf Boats went into effect on July 1, 2022 as follows:

1. **Wakeboarding and wakesurfing is prohibited before sunrise or after sunset.** This provision was already in place for jet-skiers, skiers, etc. The new law simply includes wakeboarders and wakesurfers in the prohibition.
2. Wakeboarding and wakesurfing are no longer permitted in coves or any "portion of a body of water" with a width of less than 400 feet.
3. Wakeboarding and wakesurfing are not permitted within 200 feet of a "shoreline or a dock, pier, boathouse, or other structure located completely or partly on the water". It's best and most considerate not to wakeboard or wakesurf around any houses, docks or marinas.
4. Wakeboarders and wakesurfers must wear a personal flotation device approved by the U.S. Coast Guard.

Pursuant to T.C.A. 69-9-219, violation of the new law is a Class C misdemeanor punishable by up to 30 days in jail and up to a $50 fine and court costs.

Please Wake Responsibly

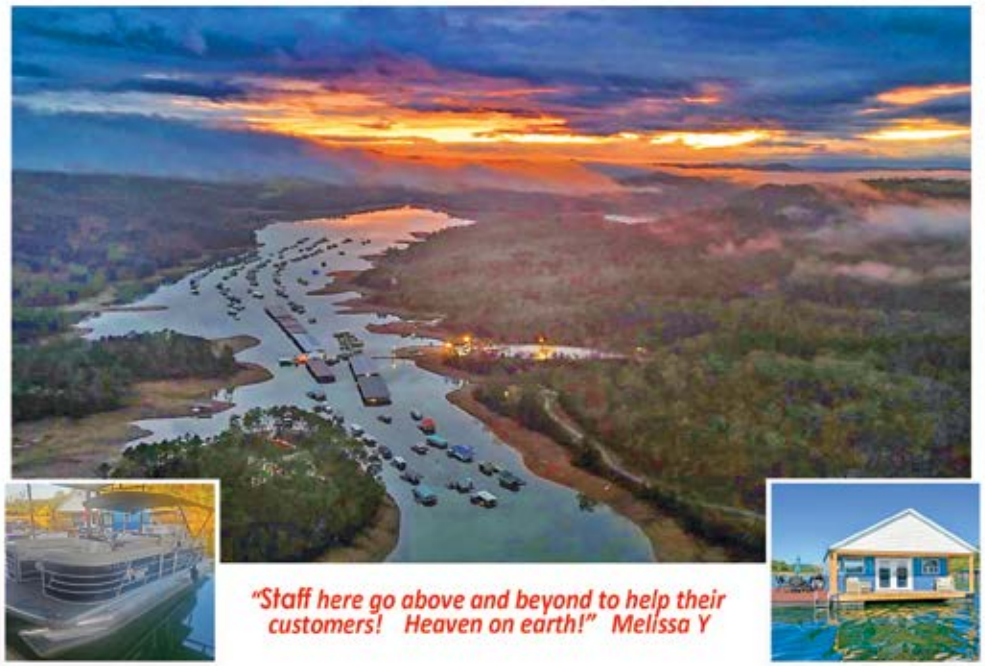

1. **Stay at least 200 feet away** from the shoreline, docks, boats, marinas, high traffic areas or other structures.
2. **Keep music at reasonable levels:** Since sound travels well over water, If its loud enough to hear at 80 feet back, it is likely loud enough for homeowners and boats in marinas to hear also.
3. **Minimize repetitive passes** on any one part of the shoreline, move on after a few passes.

Remember, you are responsible for your own wake, Please be considerate.

TVA TENNESSEE VALLEY AUTHORITY

Floating Cabins Owners

Please read about registration process, permits and rules.

Floating cabins must comply with the rules contained in TVA's Section 26a Regulations at https://www.tva.com/26aregulations

In accordance with §1304.101(c), all floating cabins shall comply with the rules and **make an application for a Section 26a permit by October 1, 2029.** TVA may, at its sole discretion, deny an initial application for a floating cabin submitted after this date. Unpermitted structures are subject to removal.

New floating cabins are prohibited. No modifications to a floating cabin or attached structures can be made without prior written approval from TVA.

Any deviations from the approved plans will require physical corrections to the structure(s) and/or a request to approve the violations through another Section 26a permit.

The registration process is to connect an owner to a structure in TVA's floating cabins inventory. Registration is not a Section 26a permit approval of the floating cabin.

For information on how to register your floating cabin with TVA, please visit: www.tva.com/floatingcabins

Please contact us at fc@tva.gov or by voicemail at 865-632-1327.

TVA remains committed to answering any questions you have in a timely manner. We are here to help you.

The application and regulations are also available by accessing this QR code.
