

U.S. Department of
Homeland Security

**United States
Coast Guard
Auxiliary**

The U.S Coast Guard Auxiliary of Norris Lake, TN. is offering **SAFE BOATING CLASSES** with information and instruction on operational safety, required safety equipment and Tennessee Boating Laws. Completion of the class and passing of the exam offers a USCGA Safe Boating Certificate or a Tennessee Boating operational Licence as required for those born after 01 Jan. 1989. With our appreciation to Roane State Community College LaFollete all the classes will be held at their campus. The class cost is \$30.00 which includes study material and snacks and due at time of registration. For additional information and registration contact Eric Pinkston at 423 / 871 - 2601 jenanderic@comcast.net

With the support and corporation of the Norris Lake Marinas we will be offering our yearly **VESSEL SAFETY INSPECTIONS**. This service is free and voluntary with no penalties. The inspections focuses on State and Federal operational laws and required on board safety equipment for each size and type of vessel. Meeting the safety requirements the boat operator will be presented offered a 2023 decal to display on board indicating a satisfactory inspection. There are no fines or penalties with this inspection For more information contact Ron Boneau 423 / 566 - 8684 the boneaus@msn.com

The Coast Guard Auxiliary is a volunteer uniformed arm of the Coast Guard. Our primary mission is to support the USCG and its Recreational Boating Safety Missions. The Flotilla meets monthly at Roane State Community College in LaFollette. Our area of responsibility is Norris lake and its communities. **MEMBERSHIP** offers opportunities to gain knowledge of boating, serve our communities, provide education to the recreational boating public and support the Coast Guard missions. For information on joining contact Ron Boneau 423 / 566 - 8684 the boneaus @msn.com
